This form is for a young person aged 13-17 taking part without a parent or guardian accompanying them on the course, or a child aged 5-12 taking part in the Kids' Run with another accompanying adult. If a parent or guardian accompanies the child on the course, separate written consent is not required. Consent may be submitted in advance or completed and signed at the race number collection point before taking part in the event. This form does not send or store any information.

Type of participation

Tick the appropriate option:

☐ I consent to a young person aged 13-17 taking part without a parent or guardian accompanying them on the course, where permitted by the rules for the chosen distance.

☐ I consent to a child aged 5-12 taking part in the Kids' Run with the accompanying adult named below.

Complete only if another adult will accompany the child in the Kids' Run:

Accompanying adult's first name and surname

Accompanying adult's telephone number

The accompanying adult supervises the child throughout the course and follows the instructions of referees and safety staff. Children aged 5 to 12 may not take part in the Kids' Run without an accompanying adult. This consent does not override the minimum age for a distance or the family team composition requirements.

Declaration

1. I am authorised to represent the child and consent to their participation in the specified distance.
2. I have read the event rules and Privacy Policy, and have explained the nature of the course and the safety instructions to the child in a way they understand.
3. I have assessed the child's fitness and ability to participate. I understand that an obstacle course involves risks of falling, slipping and injury. If I am unsure whether the child's health allows them to participate, I consult a healthcare professional before participation.
4. The child will follow the instructions of referees and safety staff. I will be reachable on the telephone number provided during the event.
5. This declaration does not release the Organiser from its statutory liability for its acts or omissions, or remove the child's legal rights.
6. This form provides consent to participation. It does not provide consent to marketing emails, SMS or the use of an individual image of the child as the main subject of an advertisement.

The form's data is used to verify the minor's participation and representation, and to communicate about the event. Retention arrangements and rights are described in the Privacy Policy. Do not include medical diagnoses or personal identity numbers on this form.

Submission

Consent may be submitted in advance by email to info@stiproskrejiens.lv. A scan or clearly legible photograph of a form signed by hand is accepted, as is a document signed with a secure electronic signature.

When signing electronically, send the electronically signed file.
